Dedication

We, the FALCON staff of 1954, wish to dedicate this book to Dr. C. A. McMillan. His guidance and understanding have made possible the publishing of the FALCONS for the past five years. His patience with and devotion to the students working with him have made him highly respected and deeply honored by them. By dedicating this book to him we hope to express our gratitude as well as the gratitude of the staffs of the past whom he has guided to a more fuller understanding of human relationships.

Acknowledgments

The members of the 1954 FALCON staff wish to express their appreciation to the following people who have made the publishing of this book possible:

Mr. Brazelton of Fontes Printing Co.; Color Plate Engraving Co.; Mr. Hal Matson and the staff of the Hal Matson Studios; Mr. Paul Gaertner; Mr. Cunningham; Miss Deal; the CRIER staffs for their publicity and cooperation; and to Dr. McMillan and Mr. Williams for their help and suggestions.

Administration

Dr. Alfred E. Baker has been principal here at Castlemont for seven years. He has really lived a full life—a First Lt. in World War I, and newspaper work all over the United States are among the many interesting jobs he has held. He attended the University of California where he received his A.B. and his Ph.D., University of Chicago, and South Western College. Before coming to Ye Castle, Dr. Baker worked at a junior high, an elementary school, and Laney Trade School.

The University of California was the school from which Dean of Girls Miss Irene C. Ball graduated. Miss Ball has been at Castlemont on and off since 1929. She has also taught at Hamilton and Havenscourt Junior Highs. Before she became Dean of Girls she was a commercial teacher and a counselor here at Castlemont.

Dean of Boys Mr. William H. McMaster has probably attended more universities than many other people in his field. They are the University of California, Stanford, Chicago University, University of Illinois, University of Arizona, and University of South Dakota. His teaching career began in 1928 where he was Vice-Principal at Tech. He also taught at Roosevelt High, and was Director of Curriculum here at Ye Castle before holding his present position.

 January 55"

Dear Phil -

Cain't find the words to express myself now that I have your book to sign.

Never have I known a sweeter fellow and a terrific pal. Phil I'm really going to miss you when I leave and I will be disappointed if I don't see you afterwards.

I hope that these last six weeks will be filled with as much fun as the first six.

It doesn't seem possible that I've only known you for a few extremely short months does it? Always Remember the fun we had burning invitations to our crazy luncheon, and all the packs of gum you've shared with me. So I can't afford to spend a nickel!

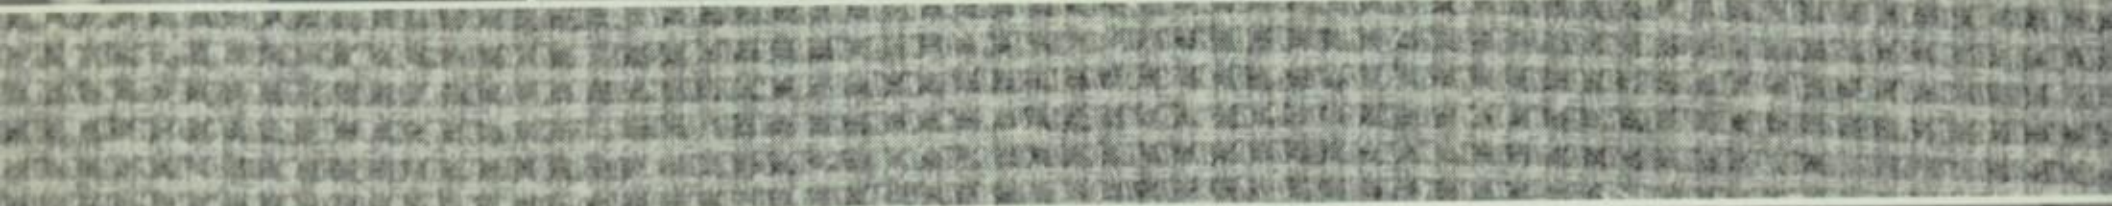

Well Phil dear I guess I better sign off this scribble so that someone else can write in here. I'm what you call a paper moralizer eh?

I wish you all the luck, fun happiness, success and MONEY in the world. I hope your senior year will be filled with as much fun and happiness as mine.

Love Always,
Carolyn
